

REINVENT HOW THE WORLD CLEANS

Tennant Distributor

A Trusted Partnership Like No Other

Cleaning isn't your primary focus, but it is ours. When you partner with Tennant, you experience our full support to keep your cleaning fleet running at its peak. When you need expert insight and equipment recommendations based on your unique needs, we're eager to provide our knowledge. And all of this comes with value beyond the floor from a highly trusted brand in the industry.

Business Partnership - To Ensure Our Growth Together

We will help facilitate growth in the last half of 2024 with our distributor programs designed to help you grow your business and achieve financial success.

Exclusive Dealer Discounts and Price Support

Enjoy competitive pricing and special incentives designed to provide value to your customers while maximise your profit margins.

Cutting-Edge Product Range

Impress your customers with the state-of-the-art Tennant fleet that deliver exceptional cleaning performance and reliability.

Comprehensive Support - Giving You Peace Of Mind

Receive extensive training and ongoing support to understand our products inside out, ensuring you can offer the best advice and service to your customers. Our dedicated support team is always ready to assist with any technical or sales-related inquiries.
