

“From equipment to partner support,  
we count on Tennant for **total quality.**”

Alan Butcher  
President and CEO

Leading providers of retail janitorial services like Diversified Maintenance Systems are always seeking new technologies, products, and processes to provide their customers the highest level of service. That is why they choose to partner with Tennant—a leader in floor care innovations like ec-H2O™ technology, quality equipment, and nationwide service. Thousands of customers turn to Tennant to help deliver cleaner, safer facilities. To learn more, call us at 1-800-964-9644 or visit [www.tennantco.com](http://www.tennantco.com).

**TENNANT** Creating a cleaner, safer, healthier world.
