Tennant Products for Your Toughest Environment

Maintain a clean, safe and productive environment with industry-leading Tennant Ride-On scrubbers and sweepers. We can help you achieve consistent, cost-effective cleaning results.

CHOOSE FROM USPS CONTRACT EQUIPMENT

Additional options of Tennant industrial cleaning equipment are listed on the contract. Machines can be configured with additional options.

800
Gas, Diesel or LPG
Industrial Ride-On Sweeper
Wide cleaning path, quad filtering system and heavy-duty steel construction delivers consistent cleaning performance in the most demanding **indoor or outdoor environment**.

M17
Battery-Powered Ride-On Sweeper-Scrubber
This battery-powered sweeper-scrubber offers fume-free operation and extended cleaning time to increase productivity.

S20
Battery, Gas, Diesel or LPG
Compact Ride-On Sweeper
Designed for larger pathways and heavier dirt found in industrial facilities; provides excellent dust control with the **SweepMax® Plus** system.

M30
Ride-On Sweeper-Scrubber
Cleans the harshest, large-scale industrial environments with a wide cleaning path. Equipped with a tank and hopper with generous capacity.

T16
Battery Ride-On Floor Scrubber
Enhance productivity and safety with unparalleled user-friendly design and **Touch-n-Go™** controls.

S16
Ride-On Sweeper-Scrubber
This productive and versatile battery-powered sweeper delivers exceptional sweeping performance across a variety of surfaces and debris types.

Contact Tennant today to schedule a site survey and identify the best equipment for your needs. Call **800-553-8033** or email csdistribution@tennantco.com
