

CREATING A CLEANER, SAFER, HEALTHIER WORLD.

# Warehousing and Logistics

CLEANING SOLUTIONS TO MEET YOUR NEEDS

SINCE

**1976**

**OVER 40 YRS IN AUSTRALIA & NEW ZEALAND** CONTINUING THE LEGACY OF CREATING THE WORLD'S GREATEST CLEANING SOLUTIONS

**\$11M**

**INVENTORY TO RESPOND QUICKER TO CUSTOMERS' NEEDS FOR MACHINES AND PARTS**

**100+**

**EMPLOYEES ACROSS AUSTRALIA AND NEW ZEALAND**

**40+**

**MORE THAN 40 SERVICE VEHICLES ON THE ROAD EVERY DAY FOR YOUR SERVICE REQUIREMENTS**

**3%**

**OF OUR ANNUAL REVENUE IS INVESTED IN OUR R&D AND PRODUCT QUALITY**

# Power with protection

Packaging materials and pallet splinters can generate a lot of dirt and debris. Tennant machines tackle every cleaning need at your site with powerful sweeping and scrubbing plus optimal dust control. Tyre marks left by vehicles can be easily removed with our highly effective scrubber-dryers. Safety is enhanced by all-round visibility, overhead guards and fast, effective water pick-up. At Tennant, we make it our business to know your business. A cleaner, safer, healthier warehousing and logistics environment will have a great impact on your daily operations.

**IMPROVE HEALTH  
AND SAFETY**

**ENHANCE  
FACILITY IMAGE**

**REDUCE COST  
TO CLEAN**

**MINIMISE  
ENVIRONMENTAL IMPACT**

**Container storage**

Efficient indoor and outdoor sweepers with operator protection.

**Warehouse & distribution centre**

Powerful sweeping and scrubbing with enhanced safety.

**Loading docks**

Efficient sweepers and scrubbers that turn easily in any space.

# Tailored for your premises

OUR IN-DEPTH KNOWLEDGE OF THE WAREHOUSING AND LOGISTICS SECTOR MEANS WE CAN OFFER YOU BENEFITS THAT ARE TAILORED TO YOUR UNIQUE NEEDS.

# Tennant Technologies

Tennant's technologies help you to enhance safety and productivity while reducing water and chemical usage.

## IRIS® Fleet Manager

IRIS® Fleet Manager allows you to manage your fleet of machines across multiple sites. This intelligent command center delivers key performance metrics, empowering you with actionable insights to optimise fleet performance, improve cleaning efficiency, drive measurable results, and reduce cost-to-clean.

## ec-H2O NanoClean™

Like the original ec-H2O™, ec-H2O NanoClean™ technology electrically converts water into an innovative cleaning solution that cleans effectively, saves money, and reduces environmental impact compared to daily floor cleaning chemicals\*.

## ec-H2O™

ec-H2O™ scrubbing technology improves productivity by scrubbing up to 3 times longer with a single tank. It uses less chemicals and packaging and up to 70% less water than conventional methods, thus reducing the environmental impact of your daily cleaning and maintenance activities. It also improves safety for both passers-by and operators.

*More than clean, it's ReadySpace®*

## ReadySpace®

ReadySpace® rapid-drying carpet cleaning technology provides clean, fresh carpets in minutes to reduce room and carpet area closure times. It uses up to 80% less water to clean and leaves 90% less water in the carpet.

## Truck & car parks

Quick, thorough sweeping for safe, unobstructed parking spaces.

## Offices

Vacuums, extractors, burnishers and scrubbers for fast, quiet cleaning on any floor.

\*ec-H2O NanoClean™ technology is not suitable for all soils, including heavy concentrations of fats and oils. Depending on the type of soil, conventional chemical cleaners may be required.

# Your warehouse and distribution centre

EFFICIENT AND ORGANISED WITH MAXIMUM FLOOR SPACE.

# T600

## SCRUBBER-DRYER

The T600 Walk-Behind Floor Scrubber-Dryer feature durable construction and a suite of productivity-boosting features. Help make your cleaning operation more productive by choosing from multiple cleaning heads and a variety of optional innovative technologies.

NEW

# T7AMR

## AUTONOMOUS RIDER SCRUBBER DRYER

The T7AMR is a robotic solution designed to work safely and efficiently alongside employees. Powered by BrainOS advanced vision based A.I. system this machine is able to avoid obstacles in a complex, real world environment while your employees focus on high-value tasks. Featuring a self-adjusting splash skirt to reduce scrub desk overspray, preset routes for daily cleaning and can operate in tight turning circles. The T7AMR is your newest team member!

# M17

## BATTERY RIDER SWEEPER-SCRUBBER

Reduce the need for multiple pass cleaning with the versatile M17 battery sweeper-scrubber. The M17 delivers exceptional sweeping and scrubbing performance, and it provides health and safety benefits. The M17 sweeper-scrubber is easy to operate and maintain, and quickly improves your facility's image.

# Your container storage areas and loading docks

BUILT TO LAST.

## 800

### INDUSTRIAL RIDE-ON SWEEPER

This heavy-duty industrial rider sweeper is the largest and most powerful in its class. It is built to capture all kinds of debris while filtering and containing dust, even in harsh and demanding environments. Productivity is enhanced by a wide sweeping path and a large-capacity hopper that reduces the need for frequent dumping. The cab is spacious and comfortable with a deluxe suspension seat, power steering, a tilt steering wheel and easy access to all controls. For greater comfort and safety, a pressurised cab with heating and air conditioning is available as an option.

# S20

## COMPACT MID-SIZED RIDE-ON SWEEPER

Mid-sized power is combined with the manoeuvrability of a ride-on machine in this compact sweeper. Suitable for indoor and outdoor use, it features a host of innovations for better dust control, including a vacuum fan and muffler, efficient filter cleaning mechanism and SweepMax™ technology. A wrap-around bumper with steel superstructure ensures reliability and long life. Safety is improved by excellent sightlines, side brush visibility and hopper temperature sensors.

# Your truck and car parks

CLEAN AND UNOBSTRUCTED FOR MAXIMUM SAFETY.

# S10

## WALK BEHIND SWEEPER

The S10 Industrial Floor Sweeper is built for heavy duty applications in the harshest environments. The S10 sweeps both open and congested spaces efficiently with its compact design and features a superior dust control system. Increase cleaning run time with one of the largest hoppers in any walk-behind floor sweeper. Protect employees and facilities from potentially harmful dust by capturing dust particles as small as 3 microns.

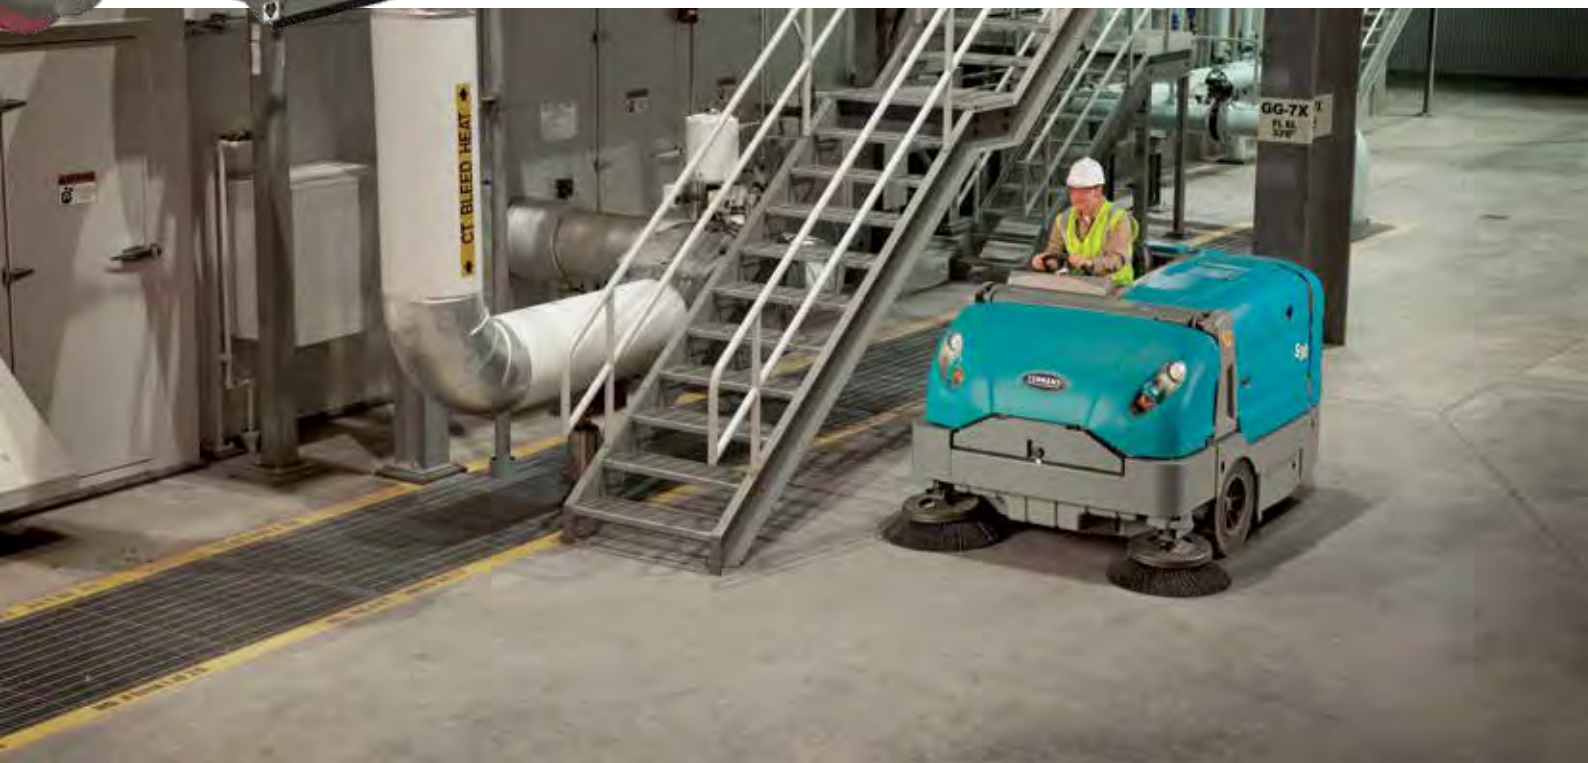

NEW

# S16

## BATTERY POWERED

Providing big productivity and versatility in a compact, battery-powered ride-on sweeper, the S16 delivers exceptional sweeping performance across a variety of surfaces and debris types. Achieve impressive dust control with a multi-stage filtration system and maintain air quality with fume-free operation. The MaxPro™ sweeping technology that provides consistent power to the main brush which achieves consistent cleaning results. Maintain indoor air quality and effectively contain dust with a multi-stage filtration system and fume-free battery operation. Extend runtime and clean with reduced noise levels with Eco-Mode™.

# T1B

## WALK BEHIND MICRO SCRUBBER-DRYER

This low profile walk behind scrubber-dryer is compact and easy to manoeuvre, making it ideal for use in tight spaces. It offers optimal power with low noise levels. Its ergonomic handle and grips make it easy and comfortable to use, while excellent water recovery reduces the risk of slip-and-fall accidents. Lithium-ion battery provides up to 60 minutes of run time.

## T300

### WALK BEHIND SCRUBBER-DRYER

With three possible cleaning paths, you can match this walk-behind scrubber-dryer perfectly to your facility. Quiet (at only 64,9 dBA or 57,8 dBA with Quiet Mode™) and cord-free, it lets operators work unobtrusively at any time. It is easy to operate with no-hassle squeegee system, clear sight lines and simple controls. Unique Tennant scrubbing technologies allow you to shorten turn-around times with reduced water and detergent use.

# 1610

## DUAL TECHNOLOGY EXTRACTOR

Our dual technology carpet extractor provides a complete carpet cleaning system in one machine for interim cleaning or deep extraction. Large solution and recovery tanks enhance productivity while a 56 cm cleaning path allows fast cleaning in large spaces. Ready Space® Rapid Drying Carpet Cleaning technology leaves **carpets dry in less than 30 minutes** to ensure all offices and amenities are available when you need them. It uses up to 80% less water to clean and leaves 90% less water in the carpet.

**READY SPACE**

*More than clean, it's ReadySpace®*

# E5

## DEEP CLEANING EXTRACTOR

This deep-cleaning carpet extractor features easy pull-back operation and an ergonomic handle for maximum comfort. With a mere 69 dBA sound level, it provides powerful cleaning in small spaces and hard to reach areas.

# SOFT FLOORING SOLUTIONS

**READY SPACE**<sup>®</sup>

**DRY & READY FOR  
FOOT TRAFFIC IN  
30 MINUTES**

## V-CAN-16

### DRY CANISTER VACUUM

The dry canister range is designed to be efficient and ergonomic, tailored to help users work without any extra strain. With quiet performance this machine does not disrupt work nearby. Constructed with up to 55% recycled plastics, designed to promote sustainable cleaning. The V-CAN-16 comes standard with multiple stage HEPA filtration cartridge, speed regulator to provide noise adjustment, full bad indicator, detachable cable and telescopic wand.

# The service you need **wherever** **you are**

No matter how you use your equipment, we've got you covered. Highly skilled and factory trained Tennant service technicians are available to handle all your maintenance needs.

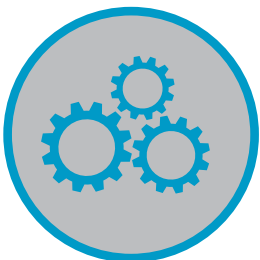

## **FACTORY DIRECT SERVICE**

Our service team can help you decide which of our service agreements is best for your needs. Whether your top priority is maximum uptime, quick response or preventive maintenance, we have a package to suit you.

## **PREDICTABLE COST OF OWNERSHIP**

Our comprehensive service offering is designed to protect your investment and lower the total cost of ownership. In addition, costs are predictable and can be perfectly budgeted.

## **TENNANT TRUE PARTS AND CONSUMABLES**

You can expect top quality from our machines, and our parts and consumables are no different. As well as being durable, they are precisely designed to enhance results and improve your cleaning productivity. All Tennant parts and consumables are widely available, easy to order and delivered quickly.

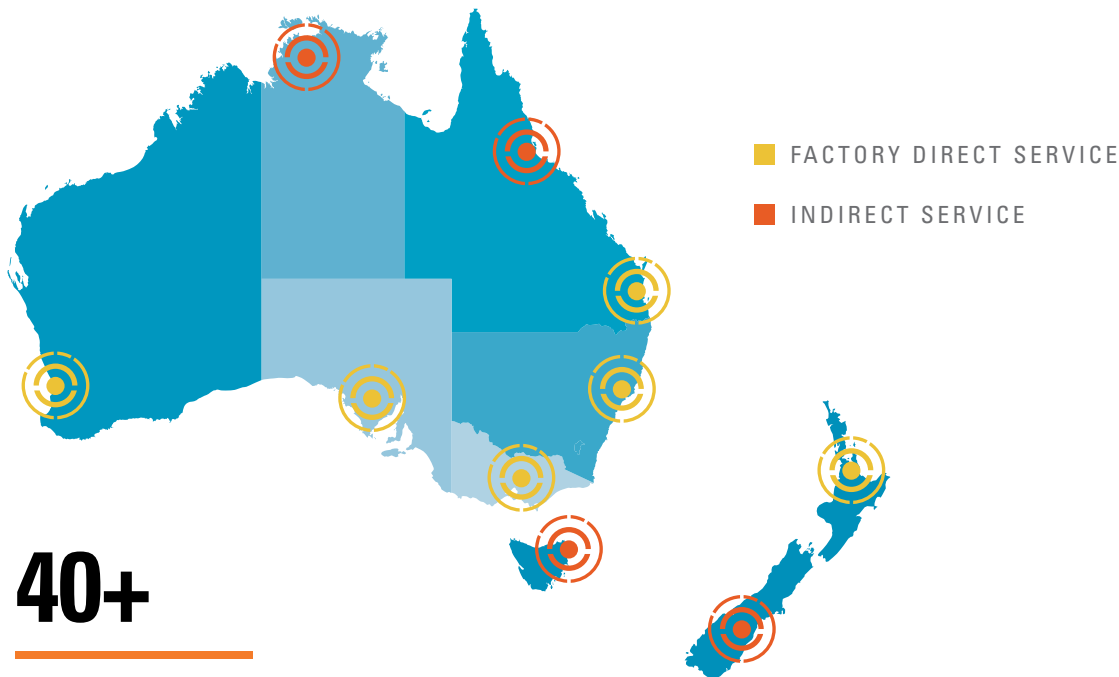

## **PROFESSIONAL CUSTOMER SUPPORT**

Our customer support team is available during business hours on weekdays and weekends to help you to order parts or schedule a service visit.

# Factory Direct Service Coverage

Over 40 direct service technicians and a constantly growing indirect service network covering Sydney, Melbourne, Brisbane, Adelaide, Perth and Auckland. If you require information for service outside the metro zones, please contact us on **1800 226 843** or visit [www.tennantco.com.au](http://www.tennantco.com.au)
